

## Filippo Berio Organic: Extra Virgin Olive Oil produced from organic farming

*Filippo Berio Organic is an Extra Virgin Olive Oil produced solely with organic olives, selected with full respect for the environment, and characterised by a perfectly balanced and harmonious taste.*

Milan, July 2020 - **Filippo Berio**, the premium brand from the SALOV Group, presents **Filippo Berio Organic**: a premium extra virgin olive oil, cold-pressed at a temperature below 27 degrees to preserve the nutritional characteristics of the product, with the fruitiness of newly ripe olives and notes of thistle, freshly mown grass and fresh fruit. It has a slightly tannic and spicy aftertaste on the palate, along with a hint of bitterness that goes perfectly with vegetable dishes, soups, meats and pasta.

Filippo Berio Organic Oil is produced only with **olives selected with total respect for the environment**, carefully checking each step of production according to EU regulations on organic products (code IT BIO 006).

### **The Berio Method: a further guarantee of quality**

This oil, like all **Filippo Berio** oils, is guaranteed by the **Berio Method**: the process that ensures **authentic and good quality Extra Virgin Olive Oil due to rigorous controls at every stage of production, from the field to the bottle**. The Method is based on the application of **integrated cultivation and production techniques** which fully respect the environment and the ecosystem, and on scrupulous controls at all stages of the production and selection process, transport to the mill and pressing of the olives. Only the best olives are used for pressing and this is **strictly performed cold and in the shortest possible time**, resulting in an oil with an unbeatable taste and excellent quality. FBottles of Filippo Berio Extra Virgin Olive Oil are easily recognisable, even on **supermarket shelves**, thanks to the special **yellow collar on the bottle** which lists the stages of the Method, **certified by SGS**, a company that certifies both **product quality** and **environmental sustainability throughout the supply chain**.

The **SALOV Group** was founded in 1919 through the merger of several companies that had been active in the oil trade since the mid-19th century. It is based in Massarosa, in the province of Lucca, and is among the **largest companies in the oil sector** with a consolidated net turnover in 2019 of approximately 275 million Euros and 91 million litres sold.

The SALOV Group, which has always been present on the Italian market with the famous **Sagra** brand, launched the **Filippo Berio** brand for the first time in Italy at the end of 2019, already a well-established brand worldwide and currently market leader in the USA, UK and Russia, as well as in Belgium, Holland and Switzerland. Filippo Berio has a dedicated range for Italy, one capable of responding to an increasingly demanding consumer.
